

# Choose Your Housing Space for Next Year!

## Room Sign Ups Coming in the Spring!

Reserve your on-campus housing space for the 2021-2022 academic year by participating in the Returning Resident Process! As a current on-campus resident, you have the opportunity to select a space before new applicants.

Recognizing the continuing financial impact of COVID-19, we will again reduce our \$600 initial payment to \$300. This \$300 initial payment (which will be applied to the cost of housing for the 2021-2022 academic year) allows you priority selection of available rooms in the CVA or CVB apartments.

You will receive an electronic copy of the Returning Resident Newsletter in mid-March via email. This newsletter will explain the selection process and living options available to you. Returning Resident Process Information Sessions will be held virtually in March 2021!

Keep in mind that if you are currently enrolled in the Spring 2021 Housing Installment Payment Plan, the final spring payment is due March 12, 2021. Residents must be current with all payments to be eligible to participate in the returning resident process. Students must also be compliant with the mandatory COVID-19 testing requirement to be eligible to participate in the returning resident process.
