**Recreation Therapy Fieldwork/Internship  
2011-2012 APPROVED PLACEMENT AGENCY SITES AND  
UNIVERSITIES**

**REMINDER-**

Casa Colina is no longer eligible for CA TR Student Interns. They have utilized a state certified proctor for the maximum number of years allotted and currently do not have a full time employee certified through CBRPC and have made no attempts to have anyone go through the state certification process.

Many attempts have been made to have someone at the agency become state certified.

Student's who complete an internship at this site, will not be eligible for state certification and will need to go through another agency with a state certified recreation therapist and complete a second internship to be eligible to take the state exam.

We now have our own website: [cbrpc.org](http://cbrpc.org) where students and interested agencies can download applications on line.

Renewals will continue to be sent via email.
