YES. This is a paid internship opportunity. Expect to work at least 40 hours a week. The ability to work a flexible schedule is required. In the hospitality industry, evenings, weekends and holiday work is required. Any school coursework is expected to be completed on your own time. Paychecks are issued bi-weekly.

We will assist in securing student paid, shared, furnished accommodations. Each student will pay a fixed monthly amount for housing, which will be automatically deducted from your paycheck. Students will be required to execute a housing agreement that requires a deposit which is refundable unless the housing agreement is breached.
