

GIVE YOURSELF A CAREER EDGE

HOSPITALITY STUDY AND INTERNSHIP PLACEMENTS

AVAILABLE NOW

In today's competitive job market, students need to stand out before graduating – a college degree is no guarantee of getting the job you want. As the specialist in Global Hospitality programs, GlobalLinks Learning Abroad seeks motivated hospitality and tourism students who want to get ahead. Our suite of specialized hospitality abroad programs, while competitive, provide not only valuable international experience, but a difference-making edge that prospective employers will take note of:

- Immerse yourself in study for a semester or year with a paid internship in Sydney, Australia
- Featured hospitality study programs also available in Hong Kong, New Zealand, and Scotland
- Complete a global career-building internship with a hotel, event planning, or tourism company overseas

GLOBAL CAREER-BUILDING HOSPITALITY INTERNSHIPS

Gain a competitive career advantage with a full-time industry internship abroad with a choice of locations – all hospitality disciplines available. All placements are English speaking with credit available. There are several intakes to suit all schedules. Internships after graduation are also possible.
