Dear President Qayoumi:

On behalf of the Council on Education for Public Health, I am pleased to advise you that the CEPH Board of Councilors acted at its September 18-20, 2014 meeting to accredit the MPH Program in Community Health Education at San José State University for a seven-year term, extending to December 31, 2021, with an interim report due in fall 2015. The interim report will address issues related to faculty resources.

We are enclosing a copy of the Council's final accreditation report. This is identical to the team's report that you received prior to our meeting. We appreciated the many courtesies extended to the site visit team during its visit.

Sincerely,

Stephen W. Wyatt, DMD, MPH
President
