

SJSU International House Network User Usage Agreement

This is an agreement between you and the International House (I-House) that gives you the permission to use computer services provided by the I-House. By signing this agreement, you thereby agree to the following while using the I-House computer services and equipment:

The following is prohibited:

1. To use any network service or computer equipment to do anything considered illegal according to California and US federal law. This includes downloading any files that are copyrighted without authorization.
2. To send or post any discriminatory, harassing or threatening message or files.
3. To use any peer-to-peer (file sharing) software.
4. To share the I-House wireless network password(s) with others without authorization.
5. To save any file or document on the computers in the computer room.
6. To use any software or device to violate any of the rules listed above.
7. To consume significant* amounts of bandwidth.
8. To tamper with the I-House network or any network device.

You acknowledge that your network usage might be monitored and/or blocked by the I-House staff.

You will be responsible for your actions on the internet.

All Internet data that is composed, transmitted and/or received by the I-House computer systems is considered to belong to the I-House and is recognized as part of its official data.

In the event of a violation of any of the restrictions/regulations listed above, the Director of the I-House reserves the right to deny access to the computer facilities and network access indefinitely.

*Significant amounts of bandwidth are defined as 100 mbph up and 1gbph down (For any clarification or explanation please contact the Network Administrator or Computer Aide.)
