Intern Needed!!!!

Landmark Protection is a locally owned and operated company which provides the very best on-site security officers, front lobby receptionists and related facilities support staff to commercial clients in Silicon Valley. Our local roots give us the flexibility to build our company around the two things that matter most in this business: Serving the customized needs of each client and employing a security force which is second to none in the industry.

First, we employ the finest individuals available and empower them through extensive training, intensive management support, and the benefits of technology to deliver world-class service. Our mission is to leverage the investment in our employees and to ensure that our service is unparalleled in quality, consistency and value. Simply put, we believe that carefully selected people deliver reliable and consistently superior service when provided with necessary training and resources, clear direction, and constant feedback. We are proactive, innovative and responsive in our approach to daily operations, with a constant focus toward delivering value and exceeding customer expectations.

Minimum Requirements:

- Stable employment history and references
- Clean DMV and criminal history
- Excellent written and oral communication
- Must pass drug test
- Guard card helpful

OPPORTUNITIES FOR ADVANCEMENT

What makes Landmark Protection a special company are our people. We have employed nearly 800 people since we began providing security services in 1997. Nearly everyone employed learned about Landmark Protection at a community event or was referred to our company by a local non-profit organization, an existing employee, or a friend.
