

INTELLIGENCE - Foreign and Domestic. A look at the intelligence establishments here and abroad; the activities they conduct; the political context they occur within; how the activities are conducted; and various aspects of information collection. The course is descriptive using the lecture and demonstration modes when applicable. AJ 137. Code # 18251.

Time and Place: MH 520 @ 0730-0845TTh

Instructor: Peter Charles Unsinger

Office and Hours: 0700-0730 TTh and 1330-1530 TTh. MH 521.

Text: there is no text. The library holds several excellent books and the internet is loaded with many fine sources.

Course Mechanics: There will be three examinations. The type of questions asked are short answer and short essay. Each examination is worth 100 points. Exams are to be written in 8.5x11 sized bluebooks.

Grading: grades are assigned according to the following traditional schedule of nineties being an A, eighties being a B and so forth. The plus or minus will be the top and bottom four figures, i.e., 78 (C+), 79 (C+), 80 (B-), 81(B-). Add the three scores and divide by three for final course grade.

Make-up Exams: The make-up day is 20 Dec 99 at 0945hrs.

Emergencies: familiarize yourself with the university's safety features and escape routes.
