

San José State University
Department of Justice Studies
FS 11 Survey of Forensic Science, Fall 2014

Instructor	Mary Juno
Office Location	MacQuarrie Hall 511
Instructor Email	mary.juno@sjsu.edu
Office Hours	Post questions concerning the class to Discussion Board under “Questions”; email me with private questions.
Canvas Website	https://sjsu.instructure.com/ Login with SJSU ID → Courses → FS 11
Class Days/Time	Online
Prerequisites	None
FS Library Liaison	Silke Higgins silke.higgins@sjsu.edu
FS Lib Guide	http://libguides.sjsu.edu/content.php?pid=57768&sid=2450175

Course Catalogue Description

This survey course introduces students to the profession of forensic science. Topics include the history and sub-disciplines of forensic science, and the scientific methods and analytical instrumentation used for the recognition, documentation, collection, preservation, and analysis of physical evidence.

Note: This course is required for FS majors and FS minors. Recommended for JS majors, and any student with a general interest in Forensic Science.

Course Goals and Student Learning Objectives

Upon successful completion of this course, students will be able to:

- LO1** Understand the roles of forensic and investigative personnel, their separate duties and how they work together.
- LO2** Articulate a realistic perspective of the field of forensic science, the nature of the work, its limits, challenges, and successes.
- LO3** Define important terms, concepts and principles such as: “CSI Effect”, 4th Amendment, chain of custody, scientific method, pattern evidence, identification evidence, individualized evidence, class and individual characteristics, probative value, and the Locard Exchange Principle.
- LO4** Demonstrate understanding of genetic principles such as inheritance, DNA, STRs, alleles, genotype, phenotype, and PCR. Explain the history of DNA profiling.
- LO5** Display foundational knowledge in the history of forensic science, the structure and organization of crime labs, the analytical processes and procedures used, the sub-disciplines and contributing sciences of forensic science, and the types of evidence encountered.

Required Texts/Readings

1) James, S., Nordby, J., & Bell, S. (2014). *Forensic Science: An Introduction to Scientific and Investigative Techniques, 4/E*. Boca Raton, FL: CRC Press/Taylor & Francis.

ISBN-13: 978-1439853832

Note: this book is also required for FS 162. Keep it if you plan to continue coursework in FS.

2) Wambaugh, J. *The Blooding*. (Any edition is fine.)

3) Additional readings, tutorials, videos, and links will be posted on the class site.

Assignments

1. Quizzes (45%): There will be five quizzes in this class (one for each unit). Format will include multiple choice, matching, true/false, and short answer. (LO1-5)
2. Chapter Review Questions (20%): Chapter review questions can be found at the end of each chapter. (LO 1-5)
3. Discussion Board (20%): Respond substantively to Discussion Board posts. The purpose of the discussion board is to discuss concepts, ideas, techniques, etc. Some discussion questions will be based on required readings. For every discussion question, students must post one substantive response to the question, and one substantive response to a classmate's post. A substantive post is one that is meaningful and specific, and moves the conversation forward. A non-substantive post is one that is vague, simply repeats or restates what someone else has already said, or just agrees with or compliments someone else ("I like the way you said that!" for example, is not substantive). No credit will be given for non-substantive posts. (LO1-5)
4. Paper on *The Blooding* (15%): Students will write a short paper on this book. Details of format and grading are posted under Assignments. (LO4)

Extra Credit Opportunities

Extra credit opportunities may be available throughout the semester and will be used to augment your final grade up to 3%.

1. Join a professional organization (CAC, AAFS, IAI, *etc.*) that is of specific interest to *you* and supply proof of membership before the end of the semester. Note: a professional organization is one that holds conferences and/or produces a periodic journal. This does not refer to an internship or a job; it is just a *membership*.
2. Tour a crime lab and write a two-page, double-spaced, typewritten paper that includes a synopsis of the tour and your reaction/response. Your paper is due within one week of the tour.
3. Complete an NIJ course and submit your certificate of completion. Details of this assignment are available under Assignments.

Late Work and Make Ups

Real life has deadlines and so do college classes. With this in mind, manage your time responsibly with the knowledge that late work will generally not be accepted, or may be given half credit in some instances; time allotted to respond to discussion questions will not be extended for any reason (since the purpose of the DB is to *discuss*, not simply to post). If you know ahead of time that you will be offline when an assignment is due, complete it early. Make-ups will generally not be given unless extraordinary, documented circumstances exist. Certainly, if you have a genuine problem, contact me and I will gladly help you. If you are in any doubt

about the requirements of an assignment, or due dates/times, please re-read the assignment and/or schedule. If your question is still unanswered, contact me for clarification.

Grading Scale for All Assignments

A+	97-100	B+	87-89	C+	77-79	D+	67-69
A	94-96	B	84-86	C	74-76	D	64-66
A-	90-93	B-	80-83	C-	70-73	D-	60-63
						F	<60

All assignments are graded based on adherence to directions, thoroughness, thoughtfulness, clarity, and logic.

Note: A grade of C or better is required for all Justice Studies and Forensic Science courses.

Course Delivery

This course is delivered online through Canvas. You will need a computer with reliable internet access. Success in the course requires active participation by logging in *daily* for updates, to complete assignments, and to receive important and timely messages. Canvas login:

Please visit the following site for communication rules and guidelines that we will follow in our course: <http://online.uwc.edu/technology/onletiquette.asp>

Course Schedule

Due dates for assignments, discussion board posts, quizzes, etc., can all be found on the Canvas course website.

Tips for Success in This Course

- 1) Online classes are self-motivated, so it is up to you to keep up with the reading and posting. Set aside a certain time every day to login to the class website and participate. Don't let yourself fall behind! You will not get credit for late posts or late assignments.
- 2) Create a folder on your browser toolbar titled "FS 11". Bookmark all the sites you visit during the class and keep them in that folder. That way, you'll have quick access to them when you revisit a topic or study for an exam.
- 3) If you have a question regarding course material or requirements, post it on the class site under the Discussion Board topic "Questions". If you have a private problem or issue, email me or come see me in office hours. Don't wait until it's too late!
- 4) Join the FSS. If you are a Forensic Science major or minor, this group will provide you with an instant network of peers, friends, and mentors. Even if you're not an FS major, you will have a great time with this group.

Student Resources

Forensic Science Student Group (FSS)

Forensic Science Students is a campus group open to all students interested in forensic science. The group meets biweekly during the semester and offers friendship, forensic science-related activities, networking opportunities, and mentorship. Members of the FSS participate and assist at conferences, CSI camps, guest speaking events, and other extra-curricular activities. FSS Peer Mentors assist forensic science students in navigating the major, understanding requirements and prerequisites, and making wise choices in their college careers. Mentors may also offer limited tutoring, and facilitate educational and professional opportunities. Contact sjsu.fss@gmail.com for more information, or to get an application for membership.

University Help Desk is the first point of contact for service and support to help you with password resets, login issues, email support and account requests. University Help Desk is located in Clark Hall, Room 102. Phone: 408.924.2377 Email: help@help.sjsu.edu Hours: Mon – Thur 8am - 9:45pm, Fri 8:00am – 4:45pm <http://www.sjsu.edu/helpdesk/>

A.S. Computer Services Center has a computer lab with 100 computers that provided most major operating systems available from recently released versions of Microsoft Windows, to Linux, and Macintosh. Located in the Student Union on the 3rd floor. Phone: 408.924.6976 Hours: Mon - Thurs 8:00am – 10:00pm; Fri 9:00am - 5:00pm <http://as.sjsu.edu/ascsc/index.jsp>

Student Technology Resources

Computer labs for student use are available in the Academic Success Center located on the 1st floor of Clark Hall and on the 2nd floor of the Student Union. Additional computer labs may be available in your department/college. Computers are also available in the Martin Luther King Library. A wide variety of audio-visual equipment is available for student checkout from Media Services located in IRC 112. These items include digital and VHS camcorders, VHS and Beta video players, 16 mm, slide, overhead, DVD, CD, and audiotape players, sound systems, wireless microphones, projection screens and monitors.

Learning Assistance Resource Center

The Learning Assistance Resource Center (LARC) located in Room 600 in the Student Services Center assists students in the development of their full academic potential and motivates them to become self-directed learners. The center provides support services, such as skill assessment, individual or group tutorials, subject advising, learning assistance, summer academic preparation and basic skills development. <http://www.sjsu.edu/larc/>

SJSU Writing Center

The SJSU Writing Center located in Room 126 in Clark Hall offers a variety of resources to help students become better writers, including one-on-one tutoring sessions and numerous writing workshops. All services are free for SJSU students. <http://www.sjsu.edu/writingcenter/>

CASA Student Success Center

The Student Success Center, located in MacQuarrie Hall 533, provides GE advising for undergraduate students majoring or interested in majoring in programs offered by CASA Departments. The Student Success Center provides also assistance with changing majors, answers to academic policy related questions, meetings with peer advisors and/or various regularly scheduled presentations and workshops. <http://www.sjsu.edu/casa/ssc/>

University Policies

Academic Integrity

Academic integrity is essential to the mission of San José State University. Students are expected to perform their own work (except when collaboration is expressly permitted by the course instructor) without the use of any outside resources. Students are not permitted to use old tests, quizzes when preparing for exams, nor may they consult with students who have already taken the exam. When practiced, academic integrity ensures that all students are fairly graded. Violations to the Academic Integrity Policy undermine the educational process and demonstrate a lack of respect for oneself, one's fellow students and the course instructor. Violations also can ruin the university's reputation and devalue of the degrees it offers. We all share the obligation to maintain an environment that practices academic integrity.

The University's Academic Integrity Policy is available at http://www.sa.sjsu.edu/download/judicial_affairs/Academic_Integrity_Policy_S07-2.pdf. Your own commitment to learning, as evidenced by your enrollment at San Jose State University, requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethical Development. The website for Student Conduct and Ethical Development is http://www.sa.sjsu.edu/judicial_affairs/index.html.

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or the use of another person's ideas without giving proper credit) will result in a failing grade in the course and will be subject to sanctions by the University. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include in your assignment any material you have submitted, or plan to submit for another class, please note that SJSU's Academic Policy F06-1 requires approval of instructors.

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drops, academic renewal, etc. Information on add/drops is available at <http://info.sjsu.edu/web-dbgen/narr/soc-fall/rec-298.html>. Information on late drops is available at <http://www.sjsu.edu/sac/advising/latedrops/policy/>. Students should be aware of the current deadlines and penalties for adding and dropping classes.

Important Dates This Semester

Tues 9/3: Last Day to Drop Without a W

Tues 9/10: Last Day to Add a Course, Last Day to Request CR/NC

Thurs 11/14: Last Day to Submit Late Drop/Withdrawal Request

Campus Policy in Compliance with the American Disabilities Act

The Accessible Education Center (. <http://www.aec.sjsu.edu/>) provides resources for students with disabilities. Resources include: Academic Accommodation, Academic Advising, Adaptive Technology Center, Alternative Media Center, Deaf & Hard of Hearing Program, Disabled Parking, Guidelines for Documentation of Disability, Educational Assistants, Learning Disabilities, and Priority Registration. Presidential Directive 97-03 requires that students with disabilities requesting accommodations must register with the AEC to establish a record of their disability. If you need course adaptations or accommodations because of a disability, or if you

need to make special arrangements in case the building must be evacuated, please see me during office hours.

AEC: Administration Building 110

Phone: 408.924.6000 (Main Office) 408.924.6542 (Deaf and HoH) 408.808.2123 (ATC)

Hours: Mon - Thurs, 9:00am to 6:00pm; Friday 10:00 am to 4:00 pm

Instructor

Mary Juno earned her MSc in Forensic Science from the University of Strathclyde in Glasgow, Scotland, and her BA in Biological Anthropology from San Francisco State University. Juno worked for many years as a CSI at the Oakland Police Department where she processed hundreds of major crime scenes and taught in the Oakland Police Academy. She has conducted research at the NYPD Latent Fingerprint Lab, and currently also teaches at SFSU, Cabrillo College, and City College San Francisco. At SJSU, Juno teaches JS and FS courses, advises FS majors and minors, and does a whole bunch of other stuff. Her office is 511 MacQuarrie Hall.
