**Justice Studies Reading and Writing Philosophy**

The Department of Justice Studies is committed to scholarly excellence. Therefore, the Department promotes academic, critical, and creative engagement with language (i.e., reading and writing) throughout its curriculum. A sustained and intensive exploration of language prepares students to think critically and to act meaningfully in interrelated areas of their lives—personal, professional, economic, social, political, ethical, and cultural. Graduates of the Department of Justice Studies leave San José State University prepared to enter a range of careers and for advanced study in a variety of fields; they are more prepared to effectively identify and ameliorate injustice in their personal, professional and civic lives. Indeed, the impact of literacy is evident not only within the span of a specific course, semester, or academic program but also over the span of a lifetime.

**Course Goals and Student Learning Objectives**

**Course Content Learning Outcomes**

On completion of the course, the student will understand:

- **CLO1** – the history, purpose and process of the American criminal justice system.
- **CLO2** – the federal and state courts, their general constitutional structure and function with an emphasis on procedures, including criminal investigations, arrest, arraignment, grand jury, indictment, pretrial, trial, conviction, acquittal, sentencing and appeal.
- **CLO3** – the role of prosecutors, defense attorneys, judges, probation officers and other actors throughout the criminal courts in the United States.

In addition, the textbook publisher provides supplementary internet resources at [www.wadsworth.com](http://www.wadsworth.com).

**Dropping and Adding**

Students are responsible for understanding the policies and procedures about add/drops, academic renewal, etc. Information on add/drops are available at [http://www.sjsu.edu/advising/faq/index.htm#add](http://www.sjsu.edu/advising/faq/index.htm#add). Information about late drop is available at [http://www.sjsu.edu/aars/policies/latedrops/](http://www.sjsu.edu/aars/policies/latedrops/). Students should be aware of the current deadlines and penalties for adding and dropping classes.

**Assignments and Grading Policy**

**Written Assignments:** All writing assignments must adhere to the *10 Rules of Formal Writing* and the instruction and description found on the Canvas website. Written Assignments not conforming to these rules will receive a significant reduction in grade. General formatting requirements for written assignments include a cover page, page numbering, 1” margins, strict double-spacing, and Times New Roman 12pt. font. Students must draft assignments in formal English, with college-level writing mechanics and APA-style formatting, inclusive of in-text citations and references. Student will submit all written assignments to Canvas website and turn in a paper copy in class.

To receive a grade for this course, **all** course requirements must be met, and **every** assignment must be completed. Failure to complete any one assignment may result in a failing grade for the course.

Deadlines are firm. Late papers will not be accepted for full credit (without extenuating personal circumstances due to your own or family health; or other university recognized excuse. In such cases, appropriate documentation must be shown to the instructor). Late papers will lose 5% for every calendar day that they are late.

Plagiarism will not be tolerated on **any** piece of assessment, under any circumstances. Students found to be guilty of plagiarism will receive an F for that assignment and may be referred to the University’s Honor Council. Plagiarism includes but is not limited to misquoting (such as omitting page numbers or quotation marks) and handing in work that is not your own and that is not correctly cited.

Written assignments uploaded to the **Canvas** website must be in one of the accepted word processing file formats; it is highly recommended that students use Microsoft Word (*.doc or *.docx) or Rich Text Format (*.rtf). Written work must be properly uploaded to the **Canvas** website by the specified due date and time. The instructor will **NOT** accept late submissions without permission.

Instructor’s Note on Communication
A university degree is a significant undertaking and requires a high level of commitment, time management, organization, and initiative. Thus, it is in your best interest to stay on top of the readings and keep in touch with the instructor. The best way to keep in touch is in-person during office hours, or at another time by appointment. If you cannot meet with me in person, please email me. Emails will be responded to during business hours (Monday through Friday only). When you send me an email please put “JS103” and your full name in the subject line. The instructor will not respond to emails where the student is not identified in either the subject line or the body of the email. Please include a phone number in all email communication. Please note: all communication regarding assignment and exam grades must be conducted in person and not via email.

Class Participation
To participate, one must attend class. Attendance alone however, is NOT class participation and does not factor into the course grade. In-class comments and policy presentation evaluation, which summarize, assess and reflect on the discussion topics or presentations, which exemplify knowledge of the subject matter or questions, which identify and probe the relevant course issues, are class participation. Beyond the completion of assigned readings, students must spend sufficient time contemplating the material for the sole purpose of class participation. This is a time to open your minds to new ideas, to explore new concepts, so please take advantage of this opportunity. Further, please be respectful of others and show them common courtesy. Students may enrich the learning process by discussion. Respect and professionalism are the guiding principles of this class.

Classroom Etiquette/Protocol
This is a time to open your minds to new ideas, to explore new concepts, so please take advantage of this opportunity. Further, please be respectful of others and show them common courtesy. Students may enrich the learning process by discussion. Respect and professionalism are the guiding principles of this class. Tardiness will not be tolerated. I understand that many of you work, but I also understand that you have enrolled in school aware of the demands of that commitment. Please arrange with your employer/child care/other to arrive in time for class to begin promptly at 1:30pm on Tuesdays and Thursdays. Please turn off all cell phones, pagers, PDA’s or any other electronic device. The use of anything that beeps or vibrates during class is disruptive and will not be tolerated. If you use a telephone (even silently, e.g. texting), you will be asked to leave the classroom. Students are responsible for all missed notes, materials, and announcements due to absence (i.e. do not email the instructor asking about what you missed). You are encouraged to exchange contact information with someone in class just in case. The use of computers during class is not permitted.

University Policies
Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs’ Syllabus Information web page at [http://www.sjsu.edu/gup/syllabusinfo/](http://www.sjsu.edu/gup/syllabusinfo/)

Academic integrity
Students should know the University’s Student Conduct Code, available at [http://www.sjsu.edu/studentconduct/docs/Student_Conduct_Code.pdf](http://www.sjsu.edu/studentconduct/docs/Student_Conduct_Code.pdf). Your own commitment to learning, as evidenced by your enrollment at San Jose State University and the University’s integrity policy, require you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethical Development, found at [http://www.sjsu.edu/studentconduct](http://www.sjsu.edu/studentconduct).

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or the use of another person’s ideas without giving proper credit) will result in a failing grade and sanctions by the University. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include in your assignment any material you have submitted, or plan to submit for another class, please note that SJSU’s Academic Policy F06-1 requires approval of instructors.
Campus Policy in Compliance with the American Disabilities Act
If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 97-03 requires that students with disabilities requesting accommodations must register with the AEC (Accessible Education Center) to establish a record of their disability.
