#### Course Description and Goals

This course is designed to introduce the advanced beginner to intermediate weight trainer to a variety of elevated levels of weight training. The course will be conducted primarily in a laboratory setting. Students will be engaged in the execution of physical skills associated with a progression to elevated levels of weight training. The course will be conducted primarily in a laboratory setting. Students will participate in the performance of physical skills through lead-up demonstrations/discussions, evaluation of lift performances, and functional demonstrations of weight lifting techniques.

#### Course-Specific Student Learning Outcomes: Upon completion of this course, the students will:

- a. Develop a working knowledge of sound safety practices in weight room facilities;
- b. Demonstrate a performance mastery of the fundamental techniques and skills introduced in the class;
- c. Demonstrate a mastery of written and/or oral information provided and solicited for evaluation purposes;
- d. Demonstrate through consistent participation an appreciation for weight training as a lifetime leisure activity;
- e. Be able to design a specific individualized weight training program.

## **University Policies**

### **Academic Integrity**

The University's [Academic Integrity Policy](http://sa.sjsu.edu/judicial_affairs/faculty_and_staff/academic_integrity/index.html) is available at [http://sa.sjsu.edu/judicial\\_affairs/faculty\\_and\\_staff/academic\\_integrity/index.html](http://sa.sjsu.edu/judicial_affairs/faculty_and_staff/academic_integrity/index.html). Your own commitment to learning, as evidenced by your enrollment at San José State University and the University's integrity policy, require you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of [Student Conduct and Ethical Development](http://www.sa.sjsu.edu/judicial_affairs/index.html) located at [http://www.sa.sjsu.edu/judicial\\_affairs/index.html](http://www.sa.sjsu.edu/judicial_affairs/index.html).

Instances of academic dishonesty will not be tolerated. Cheating on exams or plagiarism (presenting the work of another as your own, or using another person's ideas without giving proper credit) will result in a score of 0. For this class, all assignments are to be completed by the individual student unless otherwise specified. If you would like to include in your assignment any material you have submitted, or plan to submit for another class, please note that SJSU's Academic Policy F06-1 requires approval of instructors. Information about plagiarism can be obtained at the [MLK library](http://tutorials.sjlibrary.org/tutorial) web site at <http://tutorials.sjlibrary.org/tutorial>. (See the plagiarism tutorial for more information.)

### **Campus Policy in Compliance with the American Disabilities Act**

If you need course adaptations or accommodations because of a disability, or if you need to make special arrangements in case the building must be evacuated, please make an appointment with me as soon as possible, or see me during office hours. Presidential Directive 97-03 requires that students with disabilities requesting accommodations must register with the Accessible Education Center at <http://www.drc.sjsu.edu/> to establish a record of their disability. The Accessible Education Center is located in ADM 110 (408-924-6000 [voice] or 408-924-5990 [TDD]).
