Web Resource (Canvas)

Course materials may be found on the e-campus [Canvas learning management system](http://www.sjsu.edu/at/ec/canvas/) at <http://www.sjsu.edu/at/ec/canvas/>. You are responsible for regularly checking the Canvas discussion board and email for information and messages. Login using your mysjsu username and password.

Course Goals and Student Learning Objectives

Following activities and assigned reading, students will be able to demonstrate through class activities/assignments, skills tests, and written exams,

- **Proficiency in execution and application of tai chi forms, breathing, meditation and combination of all three elements in tai chi practice and exercise.**

- **An understanding of the basic terminology, applicable history, etiquette, safety, current research and practice, and applications of the cognitive knowledge in tai chi practice and exercise.**
- **An understanding of the mental and physical health benefits to be derived from tai chi and relevant exercises.**

Activity Program Learning Outcomes

After completion of the physical activity graduation requirement, students shall be able to:

- Demonstrate proficiency in the execution of the motor/sport skills appropriate to the specific activities completed.
- Identify and/or explain the applicable history, rules, strategies, current research, safety, and etiquette related to the specific activities completed.
- Identify and/or explain the benefits of physical activity as related to physical and mental health.

Text/Readings (the main contents of the following book are located in the course reader on Canvas, the book is used as optional reference only, **not required**)

Chen, G. (2006). Taichi for health. XanEdu Publishing Company, or on-line at www.xanedu.com, ISBN 1-59399-209-2.

Course Notes

- Active participation in all class activities, including lectures, practice, discussion, quizzes, written examinations, skill test, games and tournament, and assignment, etc..
- Attending classes in a timely manner.
- Loose fitting clothes and sport shoes for ease of movement and safety, no jeans or other street clothes/shoes in classroom.
- Cooperation and mature behavior are expected in the class.
- No food and drink or wheels are allowed in the gym except water.
- **Recording class: Instruction may not be recorded. If classmates ask you to record their performance for later review make sure it is done before or after class rather than during class. Do not post or otherwise share the recording.**
- **Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor's intellectual property and cannot be shared or uploaded in any form publicly without the instructor's approval.**
- If you have pre-existing medical or physical problems you should consult your physician before participating in this class and alert the instructor to any required limitations.
- Report any accidents to the instructor immediately.

Course Requirements, Assignments, and Grading

Grading Plan

- 40% Skills Test
- 30% Workout Assignment
- 25% Written Midterm
- 5% Written Final Exam

Explanation

- **Skill Tests:** The skill test will focus on the standard 24-form tai chi. It will be evaluated based on accuracy of forms, smooth and continuous transition, combination of three elements especially eye focus, relaxed form, and overall tai chi sense. A review guide will be provided before the test.
- **Written Midterm:** The midterm will cover basic knowledge of tai chi, and benefits and importance of physical activity/tai chi. A review guide will be provided before the test.
- **Written Final:** The written final will cover knowledge of chigong and applications of tai chi/chigong in daily life. A review guide will be provided before the test.
- **Workout Assignments:** The assignments will include different tai chi and chigong workout, and the design of a personal tai chi/chigong workout routine. It will be evaluated based on the percentage of completed workout and quality that requires correct forms and complete focus, fulltime participation, non-cellphone play, and non-irrelevant socials.

Other information:

- Students may make up skill test or game assignment if they have emergency or pre-arrange with the instructor upon the time limit.
- Written Exam cannot be made up except documented emergency only.

Grading Scale used to determine letter grade for each component above.

Grading Scale used to determine final course grade.

Percentage	Equivalent Grade
97% - 100%	A+
93% - 96%	A
90% - 92%	A-
87% - 89%	B+
83% - 86%	B
80% - 82%	B-
77% - 79%	C+
73% - 76%	C
70% - 72%	C-

Percentage	Equivalent Grade
67% - 69%	D+
63% - 66%	D
60% - 62%	D-
below 60%	F

University Policies
