Course Description
1 Unit Emphasis on knowledge and skill, development of the standard Simplified Tai Chi Form and applications of Tai Chi for life. It is assumed that students enrolled in the class have had little or no experience in Tai Chi.
Course materials may be found on the e-campus Canvas learning management system at http://www.sjsu.edu/at/ec/canvas/. You are responsible for regularly checking the Canvas discussion board and email for information and messages. Login using your mysjsu username and password.

Course Goals and Student Learning Objectives

Upon successful completion of this course, students will be able to demonstrate through class activities/assignments, skills tests, and written exams,

• Knowledge of fundamental skills, technique of Tai Chi.
• Proficiency in execution of the Tai Chi skills covered.
• An understanding of the history, rules, strategies, current research, safety and etiquette associated with Tai Chi.
• An understanding of the mental and physical health benefits to be derived from Tai Chi.
• An appropriate level of proficiency in personal fitness as it relates to components such as cardiovascular endurance, muscular strength and endurance, flexibility, body composition, balance, coordination, and agility.
• Well recognized evidence approved Therapeutic Tai Chi concepts and methods.

Activity Program Learning Outcomes

After completion of the physical activity graduation requirement, students shall be able to:

• Demonstrate proficiency in the execution of the motor/sport skills appropriate to the Tai Chi activities completed.
• Identify and/or explain the applicable history, rules, strategies, current research, safety, and etiquette related to the Tai Chi activities completed.
• Identify and/or explain the benefits of physical activity as related to physical and mental health.

Text/Readings

1. Wayne, Peter M., Fuerst, Mark L. 2013. The Harvard Medical School Guide to Tai
Chi. Boston: Shambhala Publications
    Cardio Tai-chi Textbook. Winston-Salem

Course notes
Class protocol: Students are expected to arrive on time and participate fully in all activities throughout the class period. Turn cell phone off and put away for the duration of the class. Interactions with classmates and the instructor are expected to be respectful at all times.
• Recording class: Instruction may not be recorded. If classmates ask you to record their performance for later review make sure it is done before or after class rather than during class. Do not post or otherwise share the recording.
• Intellectual property: Course materials developed by the instructor (e.g., exam/quiz items, videos, lecture notes), are the instructor’s intellectual property and cannot be shared or uploaded in any form publicly without the instructor’s approval.
• If you have pre-existing medical or physical problems you should consult your physician before participating in this class and alert the instructor to any required limitations.
• Report any accidents to the instructor immediately.
• Written Exam cannot be made up
• Drop requests will not be accepted after the SJSU drop deadline.
• Outings/assignments completed for another class cannot be counted for this course.

Course grades will be posted on Canvas by the end of finals week.

Course Requirements, Assignments

"Success in this course is based on the expectation that students spend, for each unit of credit, a minimum of 45 hours over the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities, including but not limited to internship, labs, and clinical practice. Other course structures will have equivalent workload expectations as described in the syllabus."

Tests: Skills Test

1) Training postures (6-8), Footwork with breathing control matching Tai Chi techniques (5-8)
2) Demonstration of assigned movements in Simplified Tai Chi Form

Written Exam/Quizzes information/explanation here:
