

Department of Kinesiology
Service Award for Undergraduate Students

The annual Department of Kinesiology Service Award honors students from each major area within the department: Kinesiology, Physical Education Teacher Education, and Athletic Training. This award recognizes undergraduate students who have established a distinctive record of service to the community. The awards are intended to recognize and promote service excellence, to further the professional competence and dedication of accomplished students and to promote kinesiology and its related fields.

Service Award Criteria:

- Senior standing with a minimum overall GPA of 3.0
- Student graduating in the current academic year
- Demonstrates exceptional leadership and service in the field of kinesiology

Nominations are **due Friday, April 24, 2020** and must include:

- Completed nomination form
- Resume (not to exceed 2 pages) including GPA and activity related to award criteria
- A 250-300 word narrative describing the nominee's activities and information related to award criteria (see below)
- Email digital photo of student (Preferably 400 x 600 pixel JPG)

The service award narrative should include evidence of the following:

- Commitment to service and/or engagement which positively impacts a community
- Integration of service and academic learning through reflection and/or public presentation
- Community-engaged learning or related experiences
- Demonstration of leadership or program support or collaboration
