

Request to Update Catalog Rights

Use this form to change catalog rights to an earlier or later term so that your degree progress report reflects the correct requirements for this catalog term.

◆ Office of the Registrar ◆ One Washington Square ◆ San José, CA 95192-0009

Notes:

- Catalog rights default to the term of matriculation at SJSU (*)
- Students that have been in continuous attendance may choose to meet the SJSU campus graduation requirements in force:
 1. at the time they began continuous enrollment at a California community college or other CSU campus: or
 2. at the time they entered SJSU (*) ; or
 3. at the time they graduate from SJSU (A graduation application must have been submitted to the Office of the Registrar or one is attached to this request).
- Changing catalog rights to any other term requires the recommendation of the College Associate Dean, and the approval of the Associate Dean for Undergraduate Studies. Most commonly, this will apply to students for whom continuous enrollment was not maintained and an earlier term is sought.
- Be sure to discuss all ramifications of this requested change with your advisor who, as a result, will know which major requirements apply.
- Matriculation and continuous enrollment are required.
- Students' major and/or GE requirements may change as a result of updating/changing their catalog term.
- Students who have applied for graduation may be required to submit a new major form. Please see your major advisor.
