

Application for Teaching Associate or Graduate Assistant

Only classified graduate students in a Mathematics program will be considered for a TA position.

Date of Application: _____

Name: _____ SJSU ID#: _____

Local Address: _____

Home Ph#: _____ Cell Ph#: _____

Email: _____

Degree Program: _____

Which semester would you like your teaching associate or graduate assistant appointment to begin?

Applicants should submit the following documents with this cover page:

1. A brief, typed personal statement concerning your goals and objectives as a graduate student.
2. Completed and signed Statement of Professional Preparation and Experience (SC1 form).
<http://www.sjsu.edu/facultyaffairs/docs/SC-1.pdf>
3. Three letters of recommendation, on your behalf, addressed to the Chair of the Department of Mathematics and Statistics. Please list their names below:
 - a. _____
 - b. _____
 - c. _____
4. Unofficial* copies of all college transcripts—undergraduate and graduate.

For full consideration, submit application, with all required documents, by April 16th for the Fall semester and by November 5th for the Spring semester.

Note: There are generally more positions available for Fall semesters.

*If hired, TAs will be required to submit their Official Transcripts.
