

Greetings Spartan!

We are just one week away from your virtual Spring Orientation session! This serves as confirmation that you are signed up to attend the session on **Wednesday, January 20, 2021**. Remember that Spring Orientation is the mandatory one-day virtual orientation experience that all incoming frosh students are required to attend, which includes being present for the entire duration of the program. **If you do not attend your session, or if you leave during any portion of Spring Orientation, you will be blocked from registering for classes and will NOT be able to attend SJSU in Spring 2021.** If you have decided to withdraw your Spring admission to SJSU, please email nextsteps@sjsu.edu.

Below you will find important information and resources regarding your orientation.

Virtual Spring Orientation check-in will begin at 8:00 am (PST) and will end at 8:15 am (PST). Students who join late will not be permitted to participate in the event, so please be on time! Spring Orientation will start promptly at 8:15 am (PST) and will end once you have completed the final advising session and course registration. - You will be asked to provide verifiable documentation of the extenuating circumstances that were beyond your control to support your absence if you want to reschedule for a later orientation date.
- Emails and documents received outside of the 48-hour window after your scheduled session will not be considered and the student's admission will be withdrawn.
