

2023 Spring Orientation Parking Instructions

Parking permits are valid in any of the General spaces only and there is only one permit allowed per person.

1. Click on your unique parking link found in your orientation confirmation letter.
2. Login using one of the methods below:
 - a. University-affiliated students/employees can click on the “Affiliated Login” button on the Login page. Log in using your SJSUOne username and password.
 - b. First time guests can click on the Guest Login button on the Login page. Then choose “Click to create your account” to register a parking account.
 - c. Returning guests will choose the Guest Login and enter their previous email address and password.
3. Enter your vehicle license plate number, if you don’t already have an existing vehicle in your account.
4. Select the vehicle to be associated with the permit. SJSU is a virtual permit campus. Your vehicle license plate serves as your parking permit.
5. Follow the prompts until you receive the confirmation that your permit has been redeemed.
6. Review your permit details to make sure it is valid for the day of your orientation session.
