

Dear Student,

Thank you for choosing SJSU and registering to attend Sparta Camp this summer.

We understand that you are coming from out of state or Southern California and to help with your upcoming move to SJSU, we would like to offer you the opportunity to attend our August Sparta Camp Session 8 so that you can begin your on-campus living experience early!

Session 8 is scheduled from August 12-13, 2019. This is a great opportunity for you to take advantage of moving in early since you will not only avoid a second trip to SJSU over the summer, but it will make it possible for you to move into your residence hall right after orientation. This is a few days earlier than everyone else!

Please note that you will be charged an early move-in fee (\$31-50 per night for four nights. = \$124 - \$200) by University Housing Services. This fee will be added to your Fall 2019 housing cost. You will need to apply for early move in via the Housing website starting July 2. For additional early arrival information please visit the University Housing Services website [here](#).

How do I change my session?

If you are interested in changing your orientation session to August, please email us at frosh-orientation@sjsu.edu no later than Friday, May 31, 2019 and we will take care of switching your session date. Once your session has been changed, you will receive a confirmation email with more information on how to apply for early arrival through your housing portal.

Congratulations and we are excited to see you this summer!

Sincerely,
New Student and Family Programs
