An updated COVID-19 vaccine is recommended for most students, per the [CSU Vaccination Policy](#). The vaccine is required for all students who reside in University Housing or those who have traveled or lived outside the U.S. for more than 30 days. You will not be required to show proof of a COVID-19 vaccination to attend your orientation session. You may find the most updated status of the immunization policy [here](#).

Additional immunization requirements for students residing in University Housing and those who have lived outside the US for more than 30 days include:

- Meningococcal conjugate (MenACWY)
- Complete tuberculosis screening form (accessible in Student Wellness Center online portal)

MASKING GUIDELINES:

SJSU is a mask-friendly campus. The campus community continues to support those who choose to mask in our indoor spaces. Per Santa Clara County guidelines, masking is required in the Student Wellness Center, a healthcare providing facility, beginning November 1, 2023 through March 30, 2024.

ORIENTATION IS REQUIRED!

Late arrivals and walk-ons will not be accommodated. You must participate in the entire program in order to have your Orientation hold removed. Failure to attend or complete the program will make you ineligible to register for courses or attend San Jose State University in Spring 2024.

If you do not attend a transfer orientation session, your Spring 2024 admission is at risk of being withdrawn.

In case of an emergency, you must contact us within 48 hours of the session for which you are registered, by calling 408-924-5972 or emailing transfer-orientation@sjsu.edu. You must provide verifiable documentation to support your absence and this must be submitted (by email) no later than 48 hours after your session date. This is a strict deadline.

We look forward to your participation at Spartan Experience for Transfers!

Sincerely,
