

# Greetings Incoming Spartan!

We are thrilled you have accepted San Jose State University's offer of admission for Fall 2024, and cannot wait to welcome you to the campus this summer for your orientation session. Ahead of your orientation session, we wanted to share important information with you as you prepare to start your career as a Spartan.

## Orientation Date - Add it to your calendar!

You are registered for a **virtual** orientation session. Be sure to note the date of your session. To reconfirm the date of your session, log into your Next Steps account ([nextsteps.sjsu.edu](https://nextsteps.sjsu.edu)). Click on "Print Reservation" to view your confirmation and confirm your orientation date.

## Want to attend orientation in person?

If you are currently registered for a Virtual Orientation due to your preferred session not being available at the time of completing your Intent to Enroll, please complete this [Reschedule Request Form](#) to be placed on a waitlist for an in person session. **Please note that this only serves as a method of being placed on our waitlist, should spaces become available for your major.** We are unable to guarantee that your request will be approved. Requests will be processed in the order they are received.

## Activate your SJSU Email Account

As a member of the SJSU community, you now have an @sjsu.edu email address! If you haven't accessed your SJSU email account yet, go to [one.sjsu.edu](https://one.sjsu.edu) and search for 'My Email.' Please take the necessary steps to activate and access your SJSU email so that you don't miss important information, messages, and deadlines.

## Spartan Link - Online Pre-Orientation

You now have access to Spartan Link, our online pre-orientation. Spartan Link will help answer some of your immediate transition questions, learn about SJSU resources, and assist you in preparing for your in-person orientation session. Prior to attending your in-person orientation session, **you must complete [Spartan Link](#).** If you have any questions, please reach out!

## Virtual Spartan Experience for Transfers (Transfer Orientation) Schedule

A full schedule will be provided in the coming weeks. For your planning purposes, prepare to be online from 10:00 am PST to 4:00 pm PST on the day of your orientation.
