SAN JOSÉ STATE UNIVERSITY

Location: San José, California
Specialization: Assistant Professor of Occupational Therapy (Tenure Track)
Job Opening ID: 498353

Primary responsibility will be to teach courses related to area of expertise in both didactic and clinical practice courses in the occupational graduate program. Eligible applicants must be an occupational therapist with earned doctorate, two years of clinical experience, and a research agenda. Applicants must be eligible for occupational therapy licensure in California. Prefer at least two years of teaching experience and five years of clinical practice across the continuum of care. Clinical expertise desired in one or more of the following areas: geriatrics, technology, ergonomics, mental health, or work readiness/vocational rehabilitation. Applicants should demonstrate awareness of and sensitivity to educational goals of multicultural populations as might have been gained in cross-cultural study, training, teaching and other comparable experience. The successful candidate will participate in the development of the Occupational Therapy Doctorate program.

Starting Date: August 2021

Eligibility: Employment is contingent upon proof of eligibility to work in the United States.

Application Procedure:
For full consideration, attach a letter of application, curriculum vitae, statement of teaching interests/philosophy, research plans, and at least three references with contact information by February 22, 2021 to: https://jobs.sjsu.edu/en-us/job/498353/assistant-professor-occupational-therapy
