

OTD Personal Statement

Please tell us about your professional goals and why you have chosen to apply to the OTD program versus the MSOT program?

Provide an example of how you have increased your awareness of diversity and equity related issues in needs in the field of occupational therapy. Include a vision for how you might contribute to diversity in the field of occupational therapy in the future.

Please include an example of a time when you have been in a leadership role and how you collaborated with others for a common outcome.
