

IMPORTANT PARKING NOTICE

Beware: Limited Parking and Heavy Traffic

During the first few weeks of instruction, traffic is unusually heavy and finding parking is difficult! Please plan accordingly and consider using the **SJSU Park & Ride Lot** (see below) or your **VTA EcoPass** for public transportation.

- Throughout the semester, the parking garages usually fill to capacity prior to 9:00 am and remain full past noon. After 8:30 a.m., it is recommended that you go to Park & Ride Lot. For real time parking capacity in garages, please go to [ParkStash App](#).

Virtual parking permits for new permit purchases

Parking Services at San Jose State University issues [virtual parking permits](#) to all students. Virtual parking permits allow you to park in your designated area without being required to display a physical permit. Your vehicle license plate is your parking permit. **Make sure you take picture of your license plate to have it ready when you purchase your virtual parking permit.** Visit [virtual permit FAQ](#) for additional information.

There Is No Grace Period for Parking

A valid virtual or physical parking permit is required at all times, including the first day of classes. Parking rules are enforced 24 hours a day, 7 days a week. Possession of a permit does not guarantee a parking space. **There is NO free parking on Campus.**
