Student Testimonials

Maria Alekhina

Country: **Russia**

The friendly and supportive teachers provided personalized 1:1 attention, which made the learning process fun and easy.

Immersing myself in American university culture, that too in the heart of Silicon Valley, helped me overcome my communication barriers and gain confidence in communicating effectively in English.

Leo Wang

Country: **China**

The program provided exceptional support and guidance in improving my English proficiency and adapting to the American academic environment.

Beyond academics, the program's focus on cultural immersion allowed me to make friends from all over the world and deepen my understanding of different cultures and perspectives.

Sean Lee

Country: **South Korea**

The campus is located right in the heart of Silicon Valley and the beautiful weather and surroundings always kept me inspired. **The teachers and staff were amazing and made me feel like I was part of an American College.** I not only improved my language skills but also made wonderful friends and memories.

International Gateways at San José State University offers other programs for multilinguals including Path to SJSU Degree (conditional eligibility to undergraduate and graduate SJSU programs), Semester at SJSU, and Summer in Silicon Valley.
