

Final Project: Individual Worksheet

Name: _____

Be as thorough as possible in response to the following questions. Be honest and forthright in your assessments of both your own work and the work of others in your group.

1. What work did you complete for this group project? Be specific.
2. List your group members and give each of them a letter grade. Carefully explain and justify each grade. (This feedback helps me to identify both the freeloaders and the superstars.)
