## THE HONOR SOCIETY OF PHI KAPPA PHI

The Honor Society of Phi Kappa Phi was founded in 1897 and became a national organization through the efforts of presidents of three state universities. From the start, its primary objective has been to recognize and encourage superior scholarship in all fields of study, with good character as a supporting attribute of those elected to membership.

"Let the love of wisdom rule mankind" is the motto of the Society. At the national level the Society has two major activities which supplement the work of the chapters. One is the publication of the prestigious National Forum with a circulation of 112,000; and the other is awarding fellowships for first-year graduate study. This year 50 fellowships in the amount of \$7,000 each were awarded.
