*This award recognizes the extraordinary service Gus Lease has devoted to Phi Kappa Phi both at San José State and nationally during the last 38 years. Because of his deep commitment to honoring San Jose State University's best and brightest scholars, this chapter has flourished. At times almost single-handedly, he has ensured that top administrators become members of the honor society, that important alumni are initiated, and that influential faculty provide their wisdom to eligible students. This award thanks Professor Lease for continuously asserting the central importance of scholarship on this campus. He has kept us true to the values for which a great university stands. For his dedication and service, we are immensely grateful and present him with this award as an expression of our deep gratitude.*

## The Honor Society of Phi Kappa Phi

*The Honor Society of Phi Kappa Phi was founded in 1897 and became a national organization through the efforts of presidents of three state universities. From the start, its primary objective has been to recognize and encourage superior scholarship in all fields of study, with good character as a supporting attribute of those elected to membership. "Let the love of learning rule humanity" is the motto of the Society. The San Jose State University Chapter was founded in 1953.*
