

PHIL 134, Sec. 01: Computers, Ethics and Society

Dr. Étienne Brown
etienne.brown@sjsu.edu

Spring 2020

Tues.-Thurs.: 1:30pm - 2:45pm, BBC 222

GE Area: V

Description: This course will focus on the ever-expanding role that internet technologies play in our lives, with an emphasis on social media and the practices of tech giants. Issues we will discuss include online identity, filter bubbles, fake news, freedom of speech, data collection and privacy.

Prerequisites: Passage of the Writing Skills Test (WST) or ENGL/LLD 100A with a C or better.
