Classroom Protocol

Philosophy requires discourse and discussion. The class dynamic will be respectful and remain intellectual. Philosophy has no room for emotional outbursts. Some of the topics we explore can provoke emotion in those who have had experience with medical issues. Please take care in discussions and be aware of your responses to particular topics.

Tardiness is disruptive to the class dynamic. More than 2 tardy's will result in a reduction in the participation grade. If you have to come to class late, please come in quietly, do not allow the door to slam shut, and find a seat quickly and be respectful of others. Do NOT walk in front of the instructor when she is lecturing; if you must walk to the other side of the room please walk behind the instructor.

NO laptop, texting, or device use in class. If you are asked to leave you will lose participation points. No pictures of students or the instructor may be taken without permission. No taping, visual or auditory is allowed.

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness, etc. Refer to the current semester's Catalog Policies section at <http://info.sjsu.edu/static/catalog/policies.html>. Add/drop deadlines can be found on the current academic year calendars document on the Academic Calendars webpage at http://www.sjsu.edu/provost/services/academic_calendars/. The Late Drop Policy is available at <http://www.sjsu.edu/aars/policies/latedrops/policy/>. Students should be aware of the current deadlines and penalties for dropping classes.

Information about the latest changes and news is available at the Advising Hub at <http://www.sjsu.edu/advising/>.
