

PHILOSOPHY 122: SOCIAL JUSTICE

With Professor Carlos Alberto Sánchez

Mondays 6:00-7:15,
online with synchronous meetings
Spring 2021

This course involves a critical examination of competing conceptions of justice and their application to social issues in a pluralistic society. Specifically, we will engage in critical readings of works reflecting contemporary social justice issues, including:

- Immigration policy and enforcement
- Religious intolerance and Manicheanism
- Racial tension and police brutality
- Political extremism and xenophobia
- And other topics...
