## Course Requirements and Assignments

### Assignment #1 – Ideology Quiz Reflection Paper (Due Before Class, August 30<sup>th</sup>)

This is an exciting writing assignment that gives you the opportunity to think more about your own background and how your life events and environment have affected the way you view the political world. A detailed prompt will be available on Canvas at the end of week 2. *To receive credit, students will submit a 2-3 page reflection on their experience to Canvas before class on September 27<sup>th</sup> and participate in the class discussion about the articles in class. Late assignments will not be accepted.* See the prompt for further information. This assignment assesses GELOs 1 and 4.

### Assignment #2 – Supporting Evidence (Due Before Class, September 27<sup>th</sup>)

You will need to provide supporting evidence for all three of your papers (see paper instructions, below). The purpose of this homework is to assist you in finding journal articles and interpreting results to provide such support. This assignment has two parts: (1) In class, each student will be assigned a footnote found in one of the Kernell chapters. You will find the journal article in the library system and save an electronic copy of it. You will write one paragraph summarizing the major findings in the article. You will then write a second paragraph on whether or not you agree with Kernell et al's interpretation of the article. (2) You will find a second book, article or report that also cites the article you were assigned.

Discuss the differences or similarities between how Kernell et al. utilize the work and the how the second source you discover does the same. Write one final paragraph describing the process you used to find the articles in the library system. *To receive credit, students will submit all four paragraphs described above, and an electronic copy of both articles to Canvas before class on September 27<sup>th</sup> and participate in the class discussion about the articles in class. Late assignments will not be accepted.* This assignment assesses GELOs 3 and 5

### **Assignment #3 – Case Study Response Memos (Due Before Class, September 20<sup>th</sup>, October 11<sup>th</sup> & November 8<sup>th</sup>)**

Throughout the course of the semester, we will review 3 case studies in the *CQ Issues for Debate* text. You must submit a 500 word response memo for these cases. The purpose of these memos is to prepare the class such that we can have a productive and lively discussion of the topic. These memos need not be stressful or particularly detailed. Please answer the following questions/satisfy the following requirements:

- 1) Why is the issue covered in the chapter considered to be a problem? Do different groups have differing opinions on whether the issue is a problem or what exactly the problem is?
- 2) Why is this issue a *public* problem? Why should the government be involved or *should* the government even be involved at all? Is this something the market could handle without government interference? Is this a political problem or a technical problem or both?
- 3) What are your thoughts on this issue? Is there something you feel the chapter overlooked/shortchanged?

*To receive credit, students must their memos to Canvas before class begins on the respective day. Late assignments will not be accepted.* This assignment assesses GELOs 1, 2, 3, 5 and 6.

### **Assignment #4 – Policy Paper Problem Statement (Due Before Class November 20<sup>th</sup>)**

This assignment serves as an early “first draft” of your policy paper. It is a 1-2 page document that outlines a public problem including the problem’s scope, magnitude and trend citing relevant sources including government reports and academic articles. *To receive credit, students must their memos to Canvas before class begins on the respective day. Late assignments will not be accepted.* This assignment assesses GELOs 3, 4, 5 and 6.

### **In-Class Quizzes (Various)**

There will be four quizzes covering the lectures and assigned readings, given in class. Quizzes will not be announced ahead of time. These assignments are open-book and open-notes but will be timed. The purpose of these quizzes is to test whether students are coming in to class with basic comprehension of the reading material in order to inform class discussion. *7 in-class quizzes will be given, of which 5 will count for the student’s grade.* The quizzes will assess GELOs 1 and 2.

### **Policy Research Paper (Due 11:59 pm, December 4<sup>th</sup>)**

You will be required to write a (1,500 word) research paper addressing a domestic policy reform of your choice. You will posit a public problem, justify that it is a problem, research this issue, and describe and critically evaluate both the current policy and at least one possible policy change that you will propose. Finally, you will describe at least one action you could take as a citizen in support of this policy. I will provide a detailed prompt for the policy paper assignment

on Canvas later in the semester. In your paper, you will be required to use 4-5 government report or peer-reviewed academic sources and use either APA or APSA formatting. *The paper is due at 11:59pm on December 4th. Late papers will be graded; however, a later paper will be penalized 1 letter grade points for each day it is late. Thus, papers more than 5 days late will fail automatically.* The policy paper will assess GELOs 3, 4, 5 & 6.

**Midterm Exam (Beginning of Class, October 30th)**

The midterm exam will consist of multiple-choice questions, definitions and essay questions. A review sheet of relevant terms and essay questions will be provided ahead of time. The exam will assess GELOs 1 and 2. Bring a T&E 200 scantron and #2 pencil. The midterm exam is scheduled for the beginning of class on Tuesday, October 30, 2017.

**Grading Information**

While I expect you to attend class regularly, per University policy F69-24 (<http://www.sjsu.edu/senate/docs/F69-24.pdf>), students will not be graded on daily attendance. One of the purposes of this class is to help simulate the stamina necessary to stick with a project day-in, day-out even as your interest in it naturally waxes and wanes. It is very, *very* unlikely that a student who misses class regularly will do well. More importantly, classroom discussion will tease out much of the important nuance in the readings. As such, regular attendance is strongly encouraged.

Your grade will be calculated as follows:

Grading Paradigm			
98-100% = A+	87-89%=B+	77-79%=C+	67-69%=D+
93-97% = A	83-86%=B	73-76%=C	63-66%=D
90-92% = A-	80-82%=B-	70-72%=C-	60-62%=D-
			<60%=F

And assignments and exams will be weighted accordingly:

Assignment	%
Quizzes (5 @ 2 points each)	10
Assignments (6 @ 5 points each)	30
Supporting Evidence	
Ideology Quiz Reflection Paper	
3 Case Study Memos	
Policy Paper Problem Statement	
Midterm Exam	20
Policy Paper	20
Final Exam	20

### **Make-up/Late Policy**

There are no make-up exams or other assignments without appropriate documentation (serious medical illness or serious medical emergency, religious holiday, pre-approved university-sanctioned event or activity, military orders, family emergency) that you were unable to complete the assignment on time.

This also applies to in-class assignments. If you are seriously ill, you must notify me as soon as possible by email or on my office phone that you will be unable to complete an assignment on time. Except in cases of documented medical emergency, you **MUST** notify me before the scheduled assignment.

Out of fairness to your colleagues, work, missing an alarm, and generally not feeling well will not be accepted excuses for missing assignments. Be sure you schedule all of our assignments right away. If you have a vacation or similar event planned during one of these assignment days, you may want to take this course during another session or make arrangements to hand in the assignment early.

Major assignments like the policy paper will be graded if handed in late; however, these will be penalized 1 letter grade for each day they are late. The late period begins immediately after the due date. Late papers will **NOT** be accepted after 1 week without prior authorization.

### **Classroom Policies and Protocol**

#### **Attendance and participation**

It is expected that you will attend class regularly although attendance is not recorded (except during first three weeks of class). If you miss class, it is your responsibility to obtain class notes from a colleague in class. If you are late, please do not be disruptive. If you know that you need to leave early, let me know before class and sit near the door. Every student is expected to participate in class discussion regularly.

#### **Cellphones, laptops, and other technology**

You may not use your cell phone in class. If you need to have it on for family reasons, please let me know ahead of time, turn it on vibrate and leave it out of sight. If you must make an emergency text, feel free to step outside of class. All other texting needs to take place before or after class. Laptops, tablets, and other such technology are allowed in class but for notetaking and educational use only. I reserve the right to bar specific students from using these technologies if they are making inappropriate use of them during class.

time. Please see me if you have questions about this policy or questions regarding SJSU academic accommodations related to this policy.

### Recording of Lectures

There are no audio or video recording of lectures or other class activities allowed without instructor permission in advance. It is common courtesy to obtain permission from people before you record them; therefore, out of respect to your colleagues and to me, do not record this class without my explicit permission.

### University Policies

Per University Policy S16-9, university-wide policy information relevant to all courses, such as academic integrity, accommodations, etc. will be available on Office of Graduate and Undergraduate Programs' [Syllabus Information web page](http://www.sjsu.edu/gup/syllabusinfo/) at <http://www.sjsu.edu/gup/syllabusinfo/>"

### Workload and Credit Hour Requirements

Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally 3 hours per unit per week with 1 of the hours used for lecture) for instruction or preparation/studying or course related activities including but not limited to internships, labs, clinical practica. Other course structures will have equivalent workload expectations as described in the syllabus.
