Dr. Cynthia Teniente-Matson, President

Dear Spartan community,

Commencement is such an exciting time on our campus. We are thrilled for our graduates, their families and grateful to all whose work and dedication has made this moment possible for the Class of 2023. Additionally, I want to express my gratitude for some of our leaders, who embody an ethic of service to SJSU.

You can view a [brief video here](#).

As the campus quiets for the next few months, the work continues as we prepare for the start of the 2023-24 academic year. Your passion and purpose make this the special place that it is.

Thank you,
