

# SAN JOSÉ STATE UNIVERSITY

**Dr. Cynthia Teniente-Matson, President**

Dear Spartan community,

Congratulations on a strong and successful fall semester! Now that finals have ended, I hope that each of you will have the opportunity to spend the coming weeks resting, recharging and – for those who are able – spending time with family and friends.

I am continually thankful to be a part of this university, and for the warm welcome it extended to Mike and me when we arrived at the start of the year. I wish you a happy and healthy holiday season, and hope you will take a moment to watch the message below.

As we look forward to the start of a new year, it's also a good time to look back at all we've seen and done on campus over the past 12 months. The team behind SJSU's *Washington Square* magazine has put together a fantastic Year in Review feature, which I am delighted to share with you [here](#).

Thank you for an exciting year, and again, happy holidays.

Sincerely,

A handwritten signature of Dr. Cynthia Teniente-Matson.
