

Dr. Cynthia Teniente-Matson, President

Dear Spartan Community,

This is a week like no other—and you don't want to miss it! On Wednesday, March 19th, our men's basketball team takes on Loyola Chicago in the first round of the NIT right here at SJSU—a first in our history. Let's pack the Provident Credit Union Event Center, show our Spartan pride, and cheer our team on to victory.

This is a historic—and lucky—week for San José State. On the heels of St. Patrick's Day, fortune is shining on our campus. We're hosting the world's brightest minds in AI and technology as NVIDIA's GTC conference brings global innovators to San José, including a watch party on our own campus. And now, for only the second time in program history, SJSU is playing in the National Invitation Tournament—and hosting it for the first time ever.

Our men's basketball team has earned a spot in the NIT for the first time since 1981, a testament to the incredible talent and determination of our student-athletes and coaches. This is our chance to rally behind them, make history together, and bring Spartan energy to the national stage. Be there, be loud, and let's make this a night to remember!

See you at the game!

Sincerely,

A handwritten signature in black ink that reads "Cynthia Teniente-Matson".
