

# SAN JOSÉ STATE UNIVERSITY

Dr. Cynthia Teniente-Matson, President

Dear Spartan Community,

Thank you to everyone who joined us for the Fall 2025 Budget Town Hall. Your presence and thoughtful participation reflect the strength of our shared commitment to transparency, care, and collaboration.

If you were unable to attend or would like to revisit the conversation, a full recording is now available here:

The Town Hall provided an overview of the university's finances, including current revenue and expense trends, potential budget scenarios, our athletics program, and the student fee process. We've also developed an FAQ based on the questions raised during the session, which you can explore [HERE](#).

The Budget Advisory Committee and divisional teams will continue leading conversations to ensure we plan thoughtfully and responsibly for the year ahead. Together, we remain guided by our shared commitment to transparency and care as we navigate this work.

Sincerely,

Dr. Cynthia Teniente-Matson  
President
