

Advanced Certificate in High Technology Taxation

 go.sjsu.edu/AdvancedTax

WITH THE SILICON VALLEY EXPERIENCE

EARN AN ADVANCED CERTIFICATE IN THE HEART OF SILICON VALLEY.

The Advanced Certificate in High Technology Taxation is a distinctive qualification for tax professionals pursuing roles in the technology sector. Customize your three-course (9-unit) certificate by choosing from an array of courses focused on high technology tax matters, including Tax Considerations for High Technology Companies, Taxation of Partnerships, Corporation Reorganizations, and Employment Taxation and the Modern Workforce.

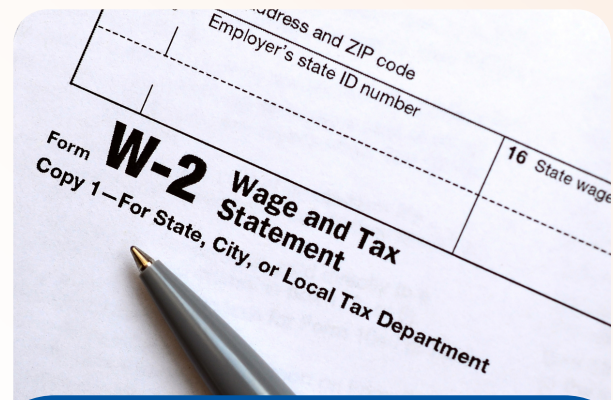

ADMISSION REQUIREMENTS

- A Master of Science in Taxation (or equivalent degree)
- A 3.0 GPA or higher

IMPORTANT DATES*

- May 1 for Fall admission
- November 1 for Spring admission

*For full details, visit: go.sjsu.edu/AdvancedTax

"Identifying compliance and planning issues as well as opportunities for high tech companies requires advanced tax knowledge in the treatment of R&D and restructuring. Expanding your MST skill set with additional coursework is a smart way to advance your career."

– Mark Hoose, former VP Tax & Trade at Intuitive, Managing Tax Counsel at Intel Corporation, & MST Professor MST Adjunct Instructor

HIGH TECHNOLOGY TAX PROFESSIONALS CAN

Provide tax solutions for hardware, software and web-based companies, as well as pharmaceutical, biotech, communications, and green technologies
