WITH THE SILICON VALLEY EXPERIENCE

The MBA for Professionals is perfect for students seeking a top-tier educational experience that offers convenience and flexibility – all at an affordable price. Come learn with your peers in a program developed for [professionals with 5+ years of work experience](#) in a part-time or self-paced format with convenient evening and Saturday classes. The program also offers unique learning experiences in areas such as data mining, global leadership, and managing product development.

"I have attended three round tables that were organized by faculty and the content was priceless. My 1:1 with the faculty was a turning point for me. Their input saved my career, and it helped me with a situation at work. The program helped me achieve exactly what I was looking for specifically for my career growth and long-term plan."

-Will Parker Program Manager at Thermo Fisher Scientific, MBA 2018
