EXPLORE THE HUMAN SIDE OF HIGH TECH.

Bachelor of Science Degree in Information Science and Data Analytics – 100% Online

SJSU SAN JOSÉ STATE UNIVERSITY

Located in the heart of Silicon Valley, San José State University is a leader in fully online learning and the nation's "#1 Most Transformative University" according to *Money* magazine. Now you can earn a bachelor's degree from this prestigious university—while living anywhere in the world.

SJSU's fully online **B.S. in Information Science and Data Analytics** program focuses on the critical connections between data, information, and people. You'll learn about software, systems, and data structures while also studying the human impact of technology.

CAREER OPPORTUNITIES

With your degree, you'll gain the skills you need to succeed in a wide range of careers that include:

- Analytics
- Cybersecurity
- Data Visualization
- Database Administration
- Digital Curation
- Digital Assets Management

- Health Care
- Education
- Records Management
- Software Development
- UX/UI
- Web Development

> **Our students get the best of both worlds: a program that can be completed anywhere they are, taught by experts from Silicon Valley and around the world.**

TAKE YOUR LEARNING TO GO

Based in the heart of Silicon Valley, SJSU is the best place to learn online.

- With our 100% online programs, you can fit course work around your schedule and study whenever and wherever works best for you.

- You won't just learn about new technology—you'll actually use that technology every day to build advanced 21st century skills.

- Our experienced faculty members are experts in online teaching and provide an engaging and interactive online learning environment.

- All of our school's resources are focused on supporting online students.

In this program, major classes are delivered exclusively online via the Canvas learning management system in an asynchronous format. Some courses may also have virtual labs. All courses are infused with hands-on, real-world, collaborative projects to support students developing portfolios that demonstrate their knowledge and skills.

Admissions Requirements:

Freshmen who meet the California State University (CSU) eligibility requirements may apply to the bachelor's degree program.

Students may complete their lower division general education (core GE) requirements in person or online at SJSU or at a community college.

Fees:

- 1.0 - 6.0 units: $2,743.50 per semester*

- 6.1 or more units: $3,949.50 per semester*

- Regular Session (4-year degree) students who have not established residency in California will be charged an extra $396 per unit.*

*Fees are subject to review and change. Scholarships and financial aid may be available.
