 - PSYC 1 is a prerequisite for upper division psychology courses (course # 100 or above)

Making Timely Progress to Your Degree

There are many resources at SJSU to help guide you to making timely progress to your degree. A few of these resources are:

- [ACCESS Center advisers](#). The *Academic Counseling Center for Excellence in the Social Sciences* (ACCESS) provides General Education advising for undergraduate students majoring in any of the departments in the College of Social Sciences (CoSS). ACCESS advisers can assist you with Academic Planning, Graduation Planning, Mandatory Freshman Advising, Probation Advising
- [Psychology major advisers](#). Psychology major advisers can provide detailed guidance on how to make timely progress to your psychology degree, help you with psychology-related minors, career advice, and also provide general advising.
- Become comfortable using [MyProgress](#), [MyPlanner](#), and [MyScheduler](#).
