

# SJSU Psychology Department Course Planner

2yr plan for Transfer Students with their WST (after Fall/07)

## Baccalaureate in Arts

This plan assumes that you are transferring with 60 semester hours, and have completed your Core GE, American Institutions, and Physical education requirements at your community college. A maximum of 70 community college (lower division) units can contribute to the required 120 units for graduation. **This planner assumes you have passed the Writing Skills Test<sup>1</sup> prior to your first semester at SJSU.**

As Psychology majors, we assume you have completed the lower division Psychology core at your community college (equivalent to Psyc 1, Stat 95 and Psyc 30) and the human biology supporting course (equivalent to Bio 21 or 65). If you have taken any other Psychology courses at your community college, be sure to check with a Psychology advisor at SJSU to see if the extra course can count as the "upper or lower division Psychology elective". If you attended a College on the quarter system, be sure to meet with an advisor to discuss the number of psychology units that transfer.

In the table below, year refers to year at SJSU. These correspond to your junior and senior years.

You do not NEED to declare a minor. If you choose not to do so, any university-level course from any department can replace the "minor" classes.

<sup>1</sup> To schedule an appointment or for additional information see: <https://testing.sjsu.edu/twst.html>

<sup>2</sup> PSYC 100W fulfills the SJSU studies "upper division GE" requirement for area Z (writing)

<sup>3</sup> This planner allows you to complete a minor (in a discipline other than Psychology) that requires an additional 15 units of coursework in addition to that from the community college. In lieu of a minor any open electives from any discipline (including psychology) can be taken.

<sup>4</sup> You need one course from each area of SJSU Studies. Detailed information can be found at <http://info.sjsu.edu/static/soc-fall/sjstudies.html>
