Program Information

Program learning outcomes (PLOs) are skills and knowledge that students will have achieved upon completion of the MS in Clinical and Mental Health Counseling (CMHC) degree. Each course in our curriculum contributes to one or more of these PLOs. The PLOs for the degree are:

1. Interventions and evidence-based applications
 - 1.1 Students will demonstrate breadth of knowledge of a variety of psychotherapy theories and in-depth knowledge of one chosen theory of intervention
 - 1.2 Students will demonstrate knowledge of empirically supported clinical interventions and evidence ability to select treatments for individual clients given this literature
2. Communication and Case presentation
 - 2.1 Students will demonstrate effective integration and communication of clinical case material
 - 2.2 Students will demonstrate the ability to synthesize contextual and cultural variables into presentations of client materials
 - 2.3 Students will effectively respond to queries about clinical material and engage in discussions about their clients with supervisors and peers
 - 2.4 Students will be able to think and discuss cases other than their own, applying theories, principles, and relevant empirical findings to those cases
3. Competent Assessment and Evaluation
 - 3.1 Students will demonstrate understanding of different assessment devices and strategies for assessing client outcome over the course of treatment including standardized nomothetic and idiographic approaches
4. Professional clinical practice
 - 4.1 Students will demonstrate depth and breadth of understanding in areas including, but not limited to, psychotherapy theory, service delivery, ethics, assessment, research methods, family therapy, cultural diversity, psychopharmacology, and issues relevant to adult and child clinical populations. Students will be able to apply this knowledge to clinical cases
5. Preparation and meeting professional licensing requirements
 - 5.1 Students will demonstrate fulfillment of coursework and other pre-degree licensing requirements outlined by the Board of Behavioral Sciences
