Upon successful completion of this course, students will be able to:

\( CLO1 \) – Display knowledge of the psychological concepts and theories relevant to help motivate people.

\( CLO2 \) – Describe various concepts within the fields of motivation and educational psychology.

\( CLO3 \) – Design research methods for testing one’s hypothesis about a population’s motivation.

Program Learning Outcomes (PLO)

Upon successful completion of the psychology major requirements… (Psyc 190 meets each PLO.)

1. \( PLO1 \) – Knowledge Base of Psychology – Students will be able to identify, describe, and communicate the major concepts, theoretical perspectives, empirical findings, and historical trends in psychology.
2. **PLO2 – Research Methods in Psychology** – Students will be able to design, implement, and communicate basic research methods in psychology, including research design, data analysis, and interpretations.

4. **PLO4 – Application of Psychology** – Students will be able to apply psychological principles to individual, interpersonal, group, and societal issues.

5. **PLO5 – Values in Psychology** – Students will value empirical evidence, tolerate ambiguity, act ethically, and recognize their role and responsibility as a member of society.

**Materials**

1. Laptop/desktop/tablet, and Internet access. SJSU has a free equipment loan program for students: https://www.sjsu.edu/learnanywhere/equipment/index.php.

2. Access to Google documents, sheets, & slides and/or access to Microsoft Word, Excel, & PowerPoint and/or Apple Pages, Numbers, & Keynote. **NOTE:** SJSU students can utilize Microsoft Online (which includes Word, Excel, and PowerPoint) for free (see http://itsdev2.sjsu.edu/services/software/microsoft-students/index.html#instructions).

**Library Liaison:** Christa Bailey (christa.bailey@sjsu.edu) Libguide: http://libguides.sjsu.edu/psychology

**Office Hours**

You need to be prepared when you visit me during office hours. This means you have a specific agenda (e.g., discuss accommodations) and/or question(s) (i.e., about our Psyc 190 course) ready before you visit office hours. In addition, please email me at patrick.cravalho@sjsu.edu to let me know you want to come to office hours and to let me know WHY you want to come to office hours (i.e., so I can prepare for your visit). If neither of the office hour time periods work for you, then please email me to request an appointment to meet over Zoom during a day/time that works for you. **NOTE:** for any office hours meeting held via Zoom, you need to use your SJSU Zoom account to attend the meeting.

**Email Communication**

All email communications to me need to be sent to patrick.cravalho@sjsu.edu and include “Psyc 190” in the subject line. **Please DO NOT message me through Canvas.** As a rule of thumb, write separate emails for communicating different topics, rather than writing about multiple topics under one email subject line. This helps me to not miss reading/replying to important information that you wish to share with me.

**Checking Canvas regularly**

I will regularly post materials, information, etc. on the following links on our Psyc 190 Canvas webpage: Announcements, Assignments, Grades, Pages, and Files. Therefore, you need to regularly check our Psyc 190 Canvas webpage (all of the links listed above are on the left side of our Psyc 190 Canvas webpage).
Checking your SJSU email regularly

If I need to contact you or send you feedback on an assignment, but I have not received any prior email communication from another one of your email accounts, I will contact you via your sjsu.edu email address. Therefore, you need to regularly check your sjsu.edu email address.

Classroom Protocol

It is university policy F69-24 (http://www.sjsu.edu/senate/docs/F69-24.pdf) that students should attend all meetings of their classes. Arrive to class on time. Arriving late disrupts other students and interferes with the continuity of the lectures and class activities. If for any reason you cannot avoid being late, please enter the class through the least noticeable door and take a seat quietly. Do not come in late and start a conversation to catch up on information you missed or expect information you missed to be repeated. Leaving early is equally disruptive; please be considerate. Do not carry on conversations during class. Do not sleep during class. Do not work on any other course material during class, including studying or reading for other classes. Be polite and respectful to your classmates and to your instructor.

Classroom participation is expected. Therefore, phones, laptops, tablets, music players, etc. are not allowed to be used during class (i.e., all devices should be put away and set to not make any noise) so that one stays focused on class discussion. DO NOT USE A DEVICE DURING LECTURE; you may be asked to leave for the remainder of the lecture. This rule is not only so you will not distract yourself, but also so you will not distract anyone else. Food and drinks are permitted during class, but you must be sure that your space is clean when you leave the classroom. If you miss a class, you are responsible for contacting me or another student to inquire about the information you missed from that class.

Laptops

In-person class laptop use is allowed ONLY by permission of the instructor. If you have a legitimate reason (i.e., Accessible Education Center accommodations) to use a laptop for note-taking you must talk to the professor first to get permission to use your laptop. Students allowed to use laptops will be asked to sit in the back or the side of the classroom. Allowed laptop use will be restricted to note-taking. One shall never connect to the internet and use class time to check email, visit social networking sites, surf the web, work on other coursework, and so forth. If you are given permission to use your laptop and seen engaging in any other activity other than note-taking, your laptop privileges will be revoked for the remainder of the semester.

Diversity Statement

We will create a safe and diversity-sensitive learning environment that respects the rights, dignity, and welfare of all students, faculty, and staff. Diversity means the fair representation of all groups, the inclusion of minority perspectives and voices, and appreciation of different cultural and socioeconomic group practices. I aspire to foster and maintain an atmosphere that is free from discrimination, harassment, exploitation, or intimidation.

Student Athletes

If you are a student athlete, please inform me at the beginning of the semester of any team obligations. If there are any conflicts between your obligations and class participation/assignment, we may need to figure out alternative arrangements for you to participate or complete an assignment.
Course Requirements and Assignments

Success in this course is based on the expectation that students will spend, for each unit of credit, a minimum of 45 hours over the length of the course (normally three hours per unit per week) for instruction, preparation/studying, or course related activities, including but not limited to internships, labs, and clinical practice. Other course structures will have equivalent workload expectations as described in the syllabus. More details about student workload can be found in University Policy S16-9.

Quizzes

There will be twelve quizzes, worth a total of 115 points. All quizzes will include only multiple-choice questions and will be taken through the Canvas Quizzes link. There is no comprehensive midterm or final.

The first quiz you will take (i.e., Quiz 0) covers the material in this syllabus and the Course Overview & Schedule Primer videos posted now on Canvas Pages link. You have until 11:59pm on Thursday (2/3) to complete Quiz 0 (i.e., the syllabus quiz). However, if you complete the syllabus quiz by 11:59pm on Sunday (1/30), you will be credited full points for the quiz regardless of your Quiz 0 score.

Students are responsible for ensuring that they have access to reliable Wi-Fi during quizzes. If you will not have reliable Wi-Fi for a quiz, inform the instructor at least one week before the quiz date in order for an alternative plan to be made. See the following link for current Wi-Fi options on SJSU campus: https://www.sjsu.edu/learnanywhere/equipment/index.php

If you have difficulties with Canvas during a quiz, first contact SJSU technical support for Canvas (see contact information below) and complete the quiz if possible. Then contact the instructor to explain your situation.

Email: ecampus@sjsu.edu  Phone: (408) 924-2337  Webpage: https://www.sjsu.edu/ecampus/support/

Self-tests and Quiz Reviews

A self-test will be available for each quiz (except for Quiz 0, which covers the syllabus) beginning about a week before the quiz date. You may submit your self-tests as Word documents or PDFs via uploads to the Canvas Assignments link. You will be able to review every quiz via a video posted on the Canvas Pages link.

Make-up Quizzes

If you do not complete a quiz by the specified due date, you will receive zero points for that quiz. If you have a legitimate reason for missing the quiz, a make-up quiz may be permitted. However, you will need to contact me via my SJSU email (listed above) as soon as you can to alert me that you will miss the quiz and let me know your legitimate reason for missing the quiz. You will also need to email me some proof verifying the legitimate reason, so that we can schedule the make-up quiz as quickly as possible and not delay the posting of the quiz review video. Make-up quizzes must be completed before the next quiz is taken. Check the schedule before classes start and if you know you will have to miss a quiz now, contact me well before the quiz is scheduled so we can figure out the best way for you to make it up ahead of time.

Facility Design (FD) Assignments

You will design a facility to serve a particular group of people you are interested in motivating. The instructions for these assignments will be discussed in detail in class and via posted announcements, and example facility designs will also be shared. There are four FD assignments that are worth a total of 55 points: 1) your Facility
Pitch (5 points), 2) your Motivation Research Plan (10 points), 3) your Presentation Rough Draft (5 points), 4) your Presentation Final Draft (35 points).

You will submit all of the FD assignments as PDFs via uploads to the Canvas Assignments link. I will provide you with feedback on all of these assignments. After completing the Facility Pitch, you are NOT allowed to change the major features of your facility without consulting me first, if you do, points may be subtracted from your FD assignments.

Late FD Assignment Submission Policy

For each 24-hour period that you submit an assignment after the due date/time, I will subtract 25% off of your grade. No assignment will be accepted 48 hours after the due date/time. If you fail to turn in a Facility Pitch and/or a Presentation Rough Draft within the parameters outlined in the “FD Assignments” and the “Late FD Assignment Submission Policy” sections of this syllabus, you will receive a zero, but still must complete the assignment in order to be eligible to turn in your Motivation Research Plan and/or Presentation Final Draft.

Online Participation (OP) Assignments

You will complete twelve online participation assignments via Canvas submission, worth a total of 30 points (2.5 points each). You will only receive credit for an OP assignment if you submit your work on the assignment before the scheduled due date.

Online Participation Assignment Make-up Policy

If you have a legitimate reason for missing an OP assignment, you may be permitted to make up the online assignment. However, you will need to contact me as early as you can, let me know your legitimate reason for missing the assignment, and provide some proof of the legitimate reason you missed the assignment. If you miss the assignment due to an unanticipated reason, contact me as soon as you can to explain your reason and to provide some proof of why. If you don’t contact me at least 24 hours after the assignment took place, you will not be allowed a make-up, regardless of whether you have a legitimate excuse.

Extra Credit Opportunities

A total of ten extra credit points may be added to your final point total if you take advantage of the following opportunities. Ten points is a substantial amount (i.e., 5% of your final grade), but the points must be earned and are being made available to encourage specific learning behaviors.

The first opportunity will be to earn four points for completely filling out (i.e., ALL concepts on the self-test are clearly addressed with text) and submitting (via Canvas) a copy of each self-test at least a day before the corresponding quiz is taken. (NOTE: this opportunity is for Quizzes 1-11, there is no self-test for Quiz 0 on the syllabus.) For example, Quiz 1 is scheduled to open on Friday (2/4), so you must turn in the Quiz 1 self-test by 11:59pm on Thursday (2/3). You may submit your self-tests as Word doc or PDF uploads to the Canvas Assignments link. You can only earn the full four points by submitting ALL 11 self-tests (i.e., you earn 0.30 points for each self-test submitted by the deadline, then an extra 0.70 points if you submit all 11 self-tests by their deadlines). These points are tiered if you do not submit all 11 self-tests by the deadlines (i.e., if you submit 10/11 self-tests by the deadlines, you receive 3 extra credit points, if you submit 9/11, you receive 2.70 points, etc.). This opportunity is meant to encourage you to use the self-tests to properly prepare for each quiz early.
rather than cramming the night before the quiz. IMPORTANT: watch the Student Skills videos (see Canvas Pages link) for an overview of how to use the self-tests and/or ask your instructor how to utilize the self-tests.

The second opportunity will be to earn two points for submitting the Facility Design (FD) assignments early. Specifically, you must submit each FD assignment a day early. For example, your Facility Pitch is due by 11:59pm on Friday (3/25), so you must turn it in before 11:59pm on Thursday (3/24) for it to count as a day early. You can only earn the full two points by submitting ALL 4 FD assignments (i.e., you earn 0.5 points for each FD assignment submitted early). These points are tiered if you do not complete all 4 FD assignments early (i.e., if you submit 3/4 FD assignments early, you receive 1.5 extra credit points, if you submit 2/4, you receive 1 point, etc.). This opportunity is meant to encourage you to complete FD assignments early rather than procrastinate in completing your FD assignments.

The final opportunity is to earn four points for submitting each of the Online Participation (OP) assignments by the posted deadlines (see schedule below for OP assignment deadlines). (NOTE: there are no early deadlines for the OP assignments.) You can only earn the full four points by submitting ALL 12 OP assignments on time (i.e., you earn 0.25 points for each OP assignment submitted on time, then an extra 1 point if you submit all 12 OP assignments on time). These points are tiered if you do not complete all 12 OP assignments on time (i.e., if you submit 11/12 OP assignments on time, you receive 2.75 extra credit points, if you submit 10/12, you receive 2.5 points, etc.). This opportunity is meant to encourage you to fully participate in our online course to learn as much of the material as you can.

Grading Policy

Your grade will be based on the total amount of points (200 possible points) you receive from quizzes (115 possible points), FD assignments (55 possible points), and OP assignments (30 possible points). Below is a breakdown of the amount of points needed to earn the specified letter grades. (NOTE: Individual quiz and assignment totals may change over the course of the semester causing a change in the total amount of points.) All students have the right, within a reasonable time, to know their academic scores, to review their grade-dependent work, and to be provided with explanations for the determination of their course grades. See University Policy F13-1 (http://www.sjsu.edu/senate/docs/F13-1.pdf) for more details.

Study & Workspace Resources

SJSU has designated 21 available classrooms, in buildings around the campus, for students to use for studying, attending online classes, collaborating with other students, etc. No reservations are required. The students can just go to the room, set themselves up, and start working. See the Study Resources page (find this page on the Campus Resources tab) on the Learn Anywhere site to find information about the study and work spaces on campus.
Links to University Policies

General Expectations, Rights and Responsibilities of the Student

Students are encouraged to familiarize themselves with SJSU’s policies and practices via University Policy S90–5 (http://www.sjsu.edu/senate/docs/S90-5.pdf). More detailed information on a variety of related topics is also available in the SJSU catalog (http://info.sjsu.edu/web-dbgen/narr/catalog/rec-12234.12506.html).

Dropping and Adding

Students are responsible for understanding the policies and procedures about add/drop, grade forgiveness (http://info.sjsu.edu/static/catalog/policies.html). Add/drop deadlines can be found on the current academic year calendars document (http://www.sjsu.edu/provost/services/academic_calendars/). The Late Drop Policy is available at http://www.sjsu.edu/aars/policies/latedrops/policy/. Information about the latest changes and news is available at the Advising Hub at http://www.sjsu.edu/advising/.

Consent for Recording of Class and Public Sharing of Instructor Material

University Policy S12-7, http://www.sjsu.edu/senate/docs/S12-7.pdf, requires students to obtain instructor’s permission to record any part of the course. Therefore, neither recording of class lectures or discussions nor distribution of course materials are allowed. Failure to follow this policy will be considered a violation of course academic integrity policy and will result in immediate expulsion from the class, a grade of F in the course, and reporting the student to the University and proper authorities for further sanctions.

Academic integrity

The University Academic Integrity Policy S07-2 at http://www.sjsu.edu/senate/docs/S07-2.pdf requires you to be honest in all your academic course work. Faculty members are required to report all infractions to the office of Student Conduct and Ethical Development (http://www.sjsu.edu/studentconduct/). Depending on the severity of the conduct, you may receive a zero on the assignment or a grade of F in the course. Grade Forgiveness does not apply to courses for which the original grade was the result of a finding of academic dishonesty.

Campus Policy in Compliance with the American Disabilities Act

Presidential Directive 97-03 (http://www.sjsu.edu/president/docs/directives/PD_1997-03.pdf) requires that students with disabilities requesting accommodations must register with the Accessible Education Center (AEC) at http://www.sjsu.edu/aec to establish a record of their disability.

Accommodation to Students' Religious Holidays

According to University Policy S14-7 (http://www.sjsu.edu/senate/docs/S14-7.pdf), SJSU shall provide accommodation on any graded class work or activities for students wishing to observe religious holidays when such observances require students to be absent from class.
