If you have NOT completed all degree requirements*:

The final review of all of your degree requirements takes 5-6 weeks from when academic standing will be posted on June 8th. Most degrees will be awarded by July 17, 2020.

Please do not contact our office until at least mid-July to inquire about the status of your degree, as it is most likely in the process of being awarded.

If you did not complete all degree requirements expect to receive a Hold Letter via your SJSU email. (Please make sure to check spam/trash folders.) A Hold Letter lists outstanding requirements. Review it carefully! The Hold Letter also provides a deadline to submit documents and/or address particular issues. The deadline for Spring 2020 graduates is July 31st. Make sure to meet this deadline!

If you do not complete all requirements by SPRING 2020, you must change your graduation term. Submit a graduation date change with appropriate fee: sjsu.edu/registrar/graduation/graduation-date-change-instructions.php.
