

LOVE SPORTS? LOVE CULTURE? INTERESTED IN RESEARCH?

Join the ISSSSC Student Research Fair to commemorate the 50th anniversary of the 1968 Olympic protests, the Olympic Project for Human Rights, and the long legacy of SJSU's involvement in sport and social issues.

Teams **of 3 students** will work together with a faculty mentor to develop a research topic related to sport, society and social change. Teams will collect and analyze data, and present their results in conference poster format.

Open to both undergrad and grad students

Tentative date: **Monday, October 15**

Time and place: **TBD, on campus**
