

14th Annual
College of Science
Student Research Day

Friday, April 27, 2018

Duncan Hall
Ground Level
10:00 am - 1:00 pm

Undergraduate and graduate students working with College of Science faculty on original research projects will present their work in an all-College poster session. The student researchers and faculty will be available to answer questions. Come and see the wide range of student research from the College of Science!

This event is wheelchair accessible. For additional accommodations, contact Dr. Roy Okuda (408) 924-2525 by April 20th.
