Controlled Substances

Questions A through E should be answered jointly by the student and faculty mentor unless otherwise specified.

- A. In a few sentences, describe the goals of the Research, Scholarship, and Creative Activity (RSCA) project that you will be working on together.

B. Please describe the methodology/methodologies you will employ to complete the project.

C. Describe the activities the student will perform as part of their participation in these projects. Provide a timeline with relevant milestones.

D. Describe the mentoring plan the faculty mentor will use to supervise and guide the RSCA project. This may include: types and frequency of scheduled meetings; training plans to develop specific skills; leadership training plans for mentees. (To be answered by the faculty mentor.)

E. How will the student's participation in this project contribute to their educational and career goals? (To be answered by the student.)

4. Signatures

Both student and faculty mentor will be obliged to attend a two-hour, monthly, group mentoring session with an R&I SRF advisor. Your signature below is an acknowledgement that you will attend these monthly meetings, in addition to the terms and conditions of the R&I SRF.
