Our Town Objective: Strengthening Communities

Strengthening Communities Objective from the Guidelines:

**Economic Change:** Economic improvements of individuals, institutions, or the community including local business growth, job creation/labor force participation, professional development/training, prevention of displacement, in-migration, and tourism.

**Physical Change:** Physical improvements that occur to the built and natural environment including beautification and/or enhancement of physical environment, new construction, and redevelopment (including arts, culture, and public space).

**Social Change:** Improvements to social relationships, civic engagement and community empowerment, and/or amplifying community identity including civic engagement, collective efficacy, social capital, social cohesion, and community attachment.

**Systems Change:** Improvements to community capacity to sustain the integration of arts, culture, and design into strategies for advancing local economic, physical, and/or social outcomes including partnerships with other sectors, civic and institutional leadership, replication or scaling of innovative projects, long term funding, training programs, and permanent staff positions.
