DEPARTMENT: Meteorology Department

IMMEDIATE SUPERVISOR: Project Director

POSTING DATE: June 30, 2022

SALARY: $28.00 - $32.00 per hour

EXEMPT STATUS: Hourly, Part-Time (50%FTE), Benefited

GENERAL NATURE OF POSITION
The Wildfire Interdisciplinary Research Center is a NSF Sponsored Industry-University Cooperative Research Center (IUCRC) focused on innovative interdisciplinary research and solutions in wildfire sciences. The research administrative coordinator will be responsible for providing operational and program management support for the Wildfire Interdisciplinary Research Center.

ESSENTIAL DUTIES & RESPONSIBILITIES

1) Research Program Management: Monitoring the various research projects and their progress; facilitating collaboration between researchers within the Center and the Center’s member organizations; coordinating reporting to the Industry Advisory Board (IAB), NSF and other funding agencies; facilitate the development of a research roadmap for the Center; developing and publishing Calls for Proposals in advance of the semi-annual IAB meetings.

2) Communications Management: Work with Center and IAB leadership to develop branding strategies, vision and mission statements, and center charter; represent the Center at publicity events; implement and maintain a web-based information portal for the Center as a resource for all Center stakeholders; create brochures and newsletters for outreach to stakeholders.

3) Industry Engagement and Management: Maintain open communications with Center members; recruit new member organizations; maintain membership records; collect and report member satisfaction data, and work with Center leadership to strengthen member satisfaction and retention.

4) Researcher Engagement and Management: Develop and maintain a catalog of research specialties and interested researchers within the Center, assist in building multi-institutional research teams, develop and implement processes for tracking student researchers after graduation.

5) External Research Engagement: Serve as a liaison to other research centers to develop larger-scale research partnerships; identify and recruit new partner institutions domestically and internationally.

6) Meeting Planning: Work with Center staff to coordinate semi-annual IAB meetings, facilitate regular Center meetings, facilitate informal IAB and other research meetings as needed.
7) **Administration:** Oversee Center budget, maintain Center documents; develop processes for adding new research sites, develop Center growth roadmap and monitor progress towards goals.

**COVID-19 VACCINATION POLICY**
As required by the CSU Vaccination Policy, all new hires must be fully vaccinated against COVID-19 starting on September 30, 2021. Fully vaccinated means it has been 14 days after the second dose of the Pfizer or Moderna vaccine has been given, or it has been 14 days after the one dose of the J&J vaccine has been given. Additionally all employees are required to have booster shots and provide proof to SJSU by 02/28/2022 or after the six months from the final dose of the original vaccination, whichever is later. Proof of being fully vaccinated does not need to be disclosed until a job offer has been made, and proof must be submitted after the acceptance of the job offer. New hires may request a reasonable accommodation of the COVID-19 vaccination requirement based on medical or religious reasons. New hires must submit their request for an accommodation form after they accept the job offer, and before their scheduled start date. The reasonable accommodation provided to the employee, if any, will depend on the employee’s job and the applicable facts, but it may include weekly COVID-19 testing. New hires who do not submit, before their scheduled start date, proof of being fully vaccinated or a request for reasonable accommodation will have their job offer revoked.
