If they never leave your side, they deserve to be insured.

Help protect your pet from costly vet bills

More than ever, pets play such a huge role in our lives. We want to do everything to keep them safe and healthy. Help make sure your furry family members are protected against unplanned vet expenses for covered accidents or illnesses with MetLife Pet Insurance.

Visits to the vet can be unpredictable and expensive. According to the American Pet Products Association (APPA), pet parents spend over $31.4 billion on vet care annually and 24% of pet parents have gone into credit card or personal loan debt as a result.

A small monthly payment can help you prepare for those unexpected vet expenses down the road.

How it works:

Hypothetical savings example when visiting a licensed veterinarian, specialist or emergency clinic in the U.S.

"Bella, a two-year-old mixed breed dog, needed emergency surgery after swallowing some small rocks. Bella pulled through, but not until incurring an emergency vet bill of $2,560. Since I had MetLife Pet Insurance, I was reimbursed for 90% of the bill once the deductible was met. Thanks to my smart decision to enroll, I saved $2,304 in out-of-pocket vet expenses."
